Indonesian J. Pharm. is a periodic scientific publication, which is published four times a year. Indonesian J. Pharm uses a peer-review system in the selection of papers. Indonesian J. Pharm receives the publication article about research results, surveys, and literature reviews which is closely related to the field of pharmacy and health. The article published is the result of selection that has been approved by Editors Board. It also has never appeared in another publication.

Indonesian J. Pharm accepts review articles, original research articles and short communications in English. The journal includes various fields of pharmaceutical sciences such as Pharmacology and Toxicology, Pharmacokinetics, Community and Clinical Pharmacy, Pharmaceutical Chemistry, Pharmaceutical Biology, Pharmaceutics, Pharmaceutical Technology, Biopharmaceutics, Pharmaceutical Microbiology and Biotechnology, Regulatory Affairs and Pharmaceutical Marketing Research, and Alternative medicines.

The article is written in English with Arial font number 12 and compiled systematically.

- Original research articles – original research papers which have not been published previously and should not exceed 3000 words (including allowance for no more than 6 tables and figures or other illustrations).
- Review articles – will be taken into account for publication in the field of the journal's scope. The review should not exceed 5000 words (including allowance for no more than 6 tables and figures or other illustrations).
- Short communications – Short communications of up to 1500 words, describing work that may be of a preliminary nature but which merits immediate publication.
MANUSCRIPT STYLE

The manuscripts should be divided into the following sections:

(a) An abstract (maximal 200 words) embodying the main conclusion and giving the essential information.
(b) Introduction – should give the research objective and a brief statement of previous relevant work with references;
(c) Material and Methods
(d) Results and Discussion
(e) Conclusion
(f) Acknowledgement
(g) References.

The article is written in English with Arial font number 12, double space, maximal 10 pages and with margin 4, 4, 3 and 3 from top, left, bottom and right, respectively. In general, the contents should comprise of Abstract accompanied with 3 -5 key words, Introduction, Materials and Methods, Results and Discussion, Conclusion, Acknowledgement and References. All illustrations including figures, charts and graphs, must be labeled (in the bottom), numbered (1, 2, 3 etc) and supplied on separate pages from the text. The desired placement in the text should be clearly indicated. These illustrations should be referred to and numbered serial, as figures. All illustrations should be clearly drawn in permanent ink or photographed in sharp black and white and reproduced in the form of high – contrast glossy prints or digital images and provided in camera ready form. References in the text should be denoted by giving the name(s) of the author(s). All alphabetically ordered references list should be included at the end of the manuscript. All references cited in the text must appear in the reference list. Authors are responsible for the accuracy and completeness of all information in the reference. The journal names in the References section need to be abbreviated as per the journal guidelines. Use the following link to search for journal abbreviations: http://scieng.library.ubc.ca/coden/
